1 TRAVELLING (ON THE ROAD) INSTRUMENTAL
(by Harry C)

2 I WANT YOUR LOVE

(by Harry C)

I know that patience is not
Quite my strong point
So please forgive me, dear

But when I feel it's real
I get to the point
Don't you agree with me?
(agree with me)

**I want your love today
I want your love tonight
I want your love today
I want your love tonight**

Some people like to push
Away in their lives
Responsibility

But if I get the feeling
Time is right
I'll drop the walls around me
(drop them)

**I want your love today
I want your love tonight
I want your love today
I want your love tonight**

3 SPARKLING SPIRIT INSTRUMENTAL
(by Harry C)

4 I FEEL GOOD

(by Harry C)

I feel good
I feel fine
Baby's got that certain glance
Showing she's mine

I feel peace
Tranquillity
My baby is discreetly showing
She loves me

I wouldn't tell anyone
'cause I gotta be...
I wouldn't tell anyone
Can't you see?
Love's got so much
Magic to me

I feel good
I feel fine
Baby whispers in my ear
Saying she's mine

I feel love
Serenity
My baby is discreetly showing
She loves me

My baby is so sweetly showing
She loves me

5 SINCE LAST NIGHT

(by Harry C)

Since last night there's a feeling inside me
I feel light because it's love I see
Something in my soul has grown
Something in my heart wants to be shown

Since last night my mind is wide awake
I could await the moment that it takes
Something in my soul has grown
Something in my heart wants to be shown

Love is a flower
Love has the power
Love will prevail
Love is the grail

Since last night there's a feeling inside me
I feel light because it's love I see
Something in my soul has grown
Something in my heart wants to be shown

6 SUBIRA RAG - INSTRUMENTAL

8 NATURAL RISK

(by Harry C)

Last summer when she caught my eye
That charming little sweetheart
I surrendered my control
Attracted by her body and soul
She touched me somewhere I
Had not been touched before
My heart was flying high
And my desire wanted more and more

We got to know each other well
And then one day I could tell
My love for her would always be
But then the inner voice in me
Said there was something wrong
There's hidden trouble there
Don't fool yourself, be strong
And face it if you really care

Sometimes I see her on the street
Looks like we're both back on our feet
I know we'll find our way through life
There's always ups and downs in life
What did we learn from this?
Do we regret it? - No!
It's just a **natural risk**
You got to try or
You won't ever know

9 ZURCAROH OF BRAZIL INSTRUMENTAL
(by Gilla Pogo)

10 BALI

(by Harry C)

In the morning when they get up
They give praise to the Gods
Asking for a good day
With soft and tender words

In the evening when they come home
They give praise to the Gods
Thanking for a good day
With soft and tender words

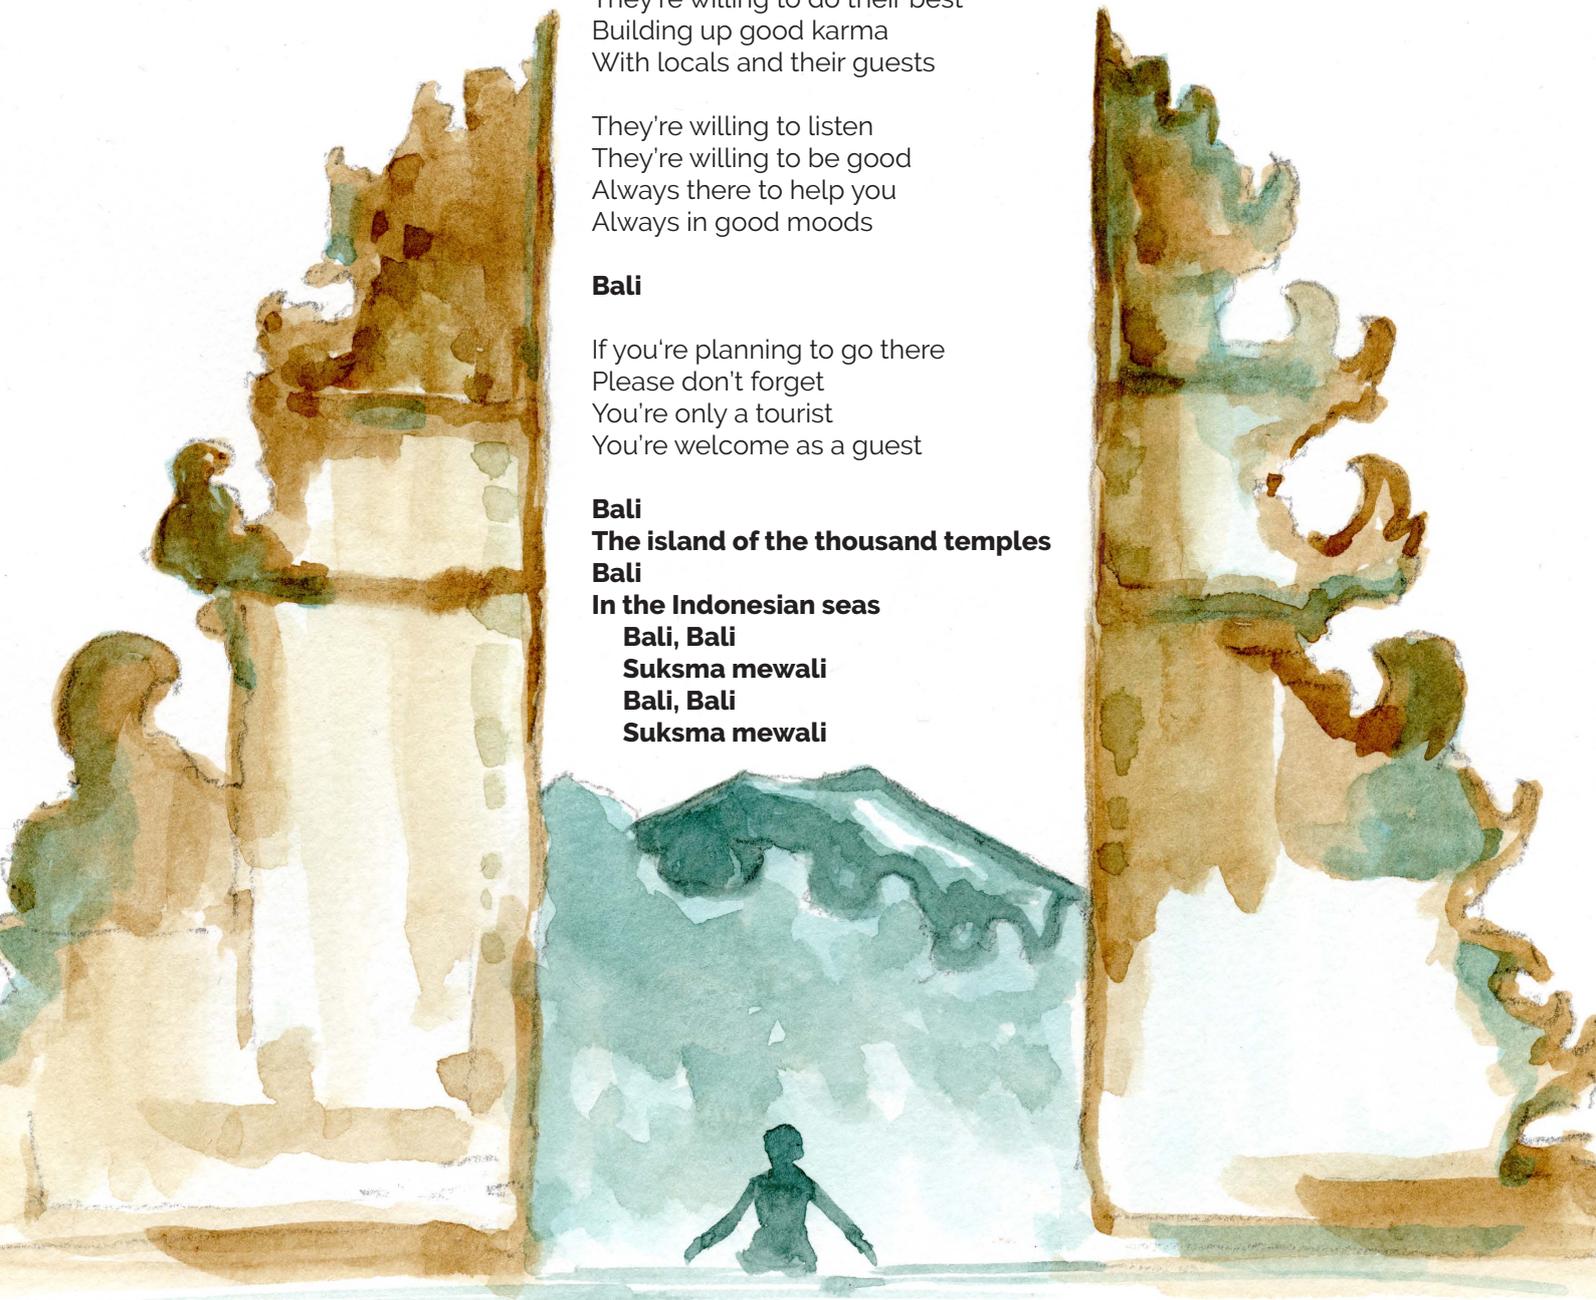

Bali
Let's be like the people on Bali
Bali
Considerate and polite
Bali, Bali
Suksma mewali
Bali, Bali
Suksma mewali

They're willing to be considerate
They're willing to do their best
Building up good karma
With locals and their guests

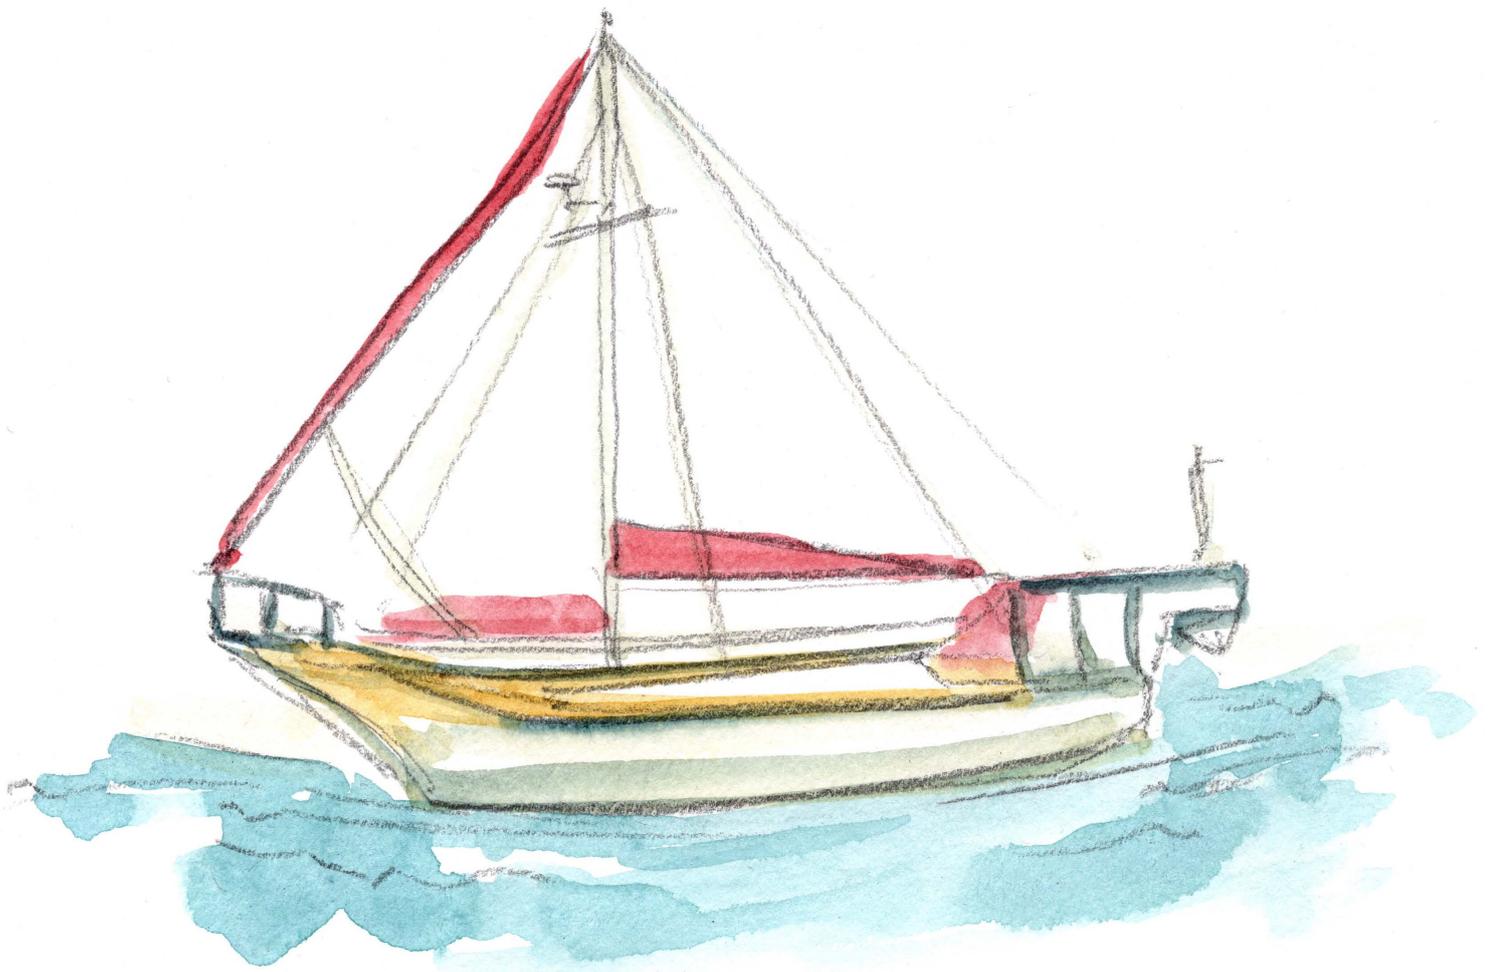

They're willing to listen
They're willing to be good
Always there to help you
Always in good moods

Bali
If you're planning to go there
Please don't forget
You're only a tourist
You're welcome as a guest

Bali
The island of the thousand temples
Bali
In the Indonesian seas
Bali, Bali
Suksma mewali
Bali, Bali
Suksma mewali

17 LOVE SPELL

(music by Harry C, lyrics from the original poem
"The Spells of Home" by Felicia Hemans (1793-1835)
chorus by Theresa King)

By the soft green light in the woody glade
On mossy banks where our childhood played
From the school through which our eyes first looked
In love to the summer skies

By the dewy gleam and steaming breath
Of the clover tufts in the grass beneath
Upon your heart there is laid a spell
Guard it well

**The spell holds us together
Our hearts are magically bound
The fields, purple with heather
Witnessed the spellbinding sound
The spell shall never be broken
Our hearts are magically bound
Words by firelight were spoken
Upon the Fairy Queen's mound**

*(I want freedom)
(I want your love)
(I want freedom)*

By the whisper of the rippling stream
In sleep it was of love we dreamed
Hearing icy crackle beneath the eaves
And shaking frosty leaves

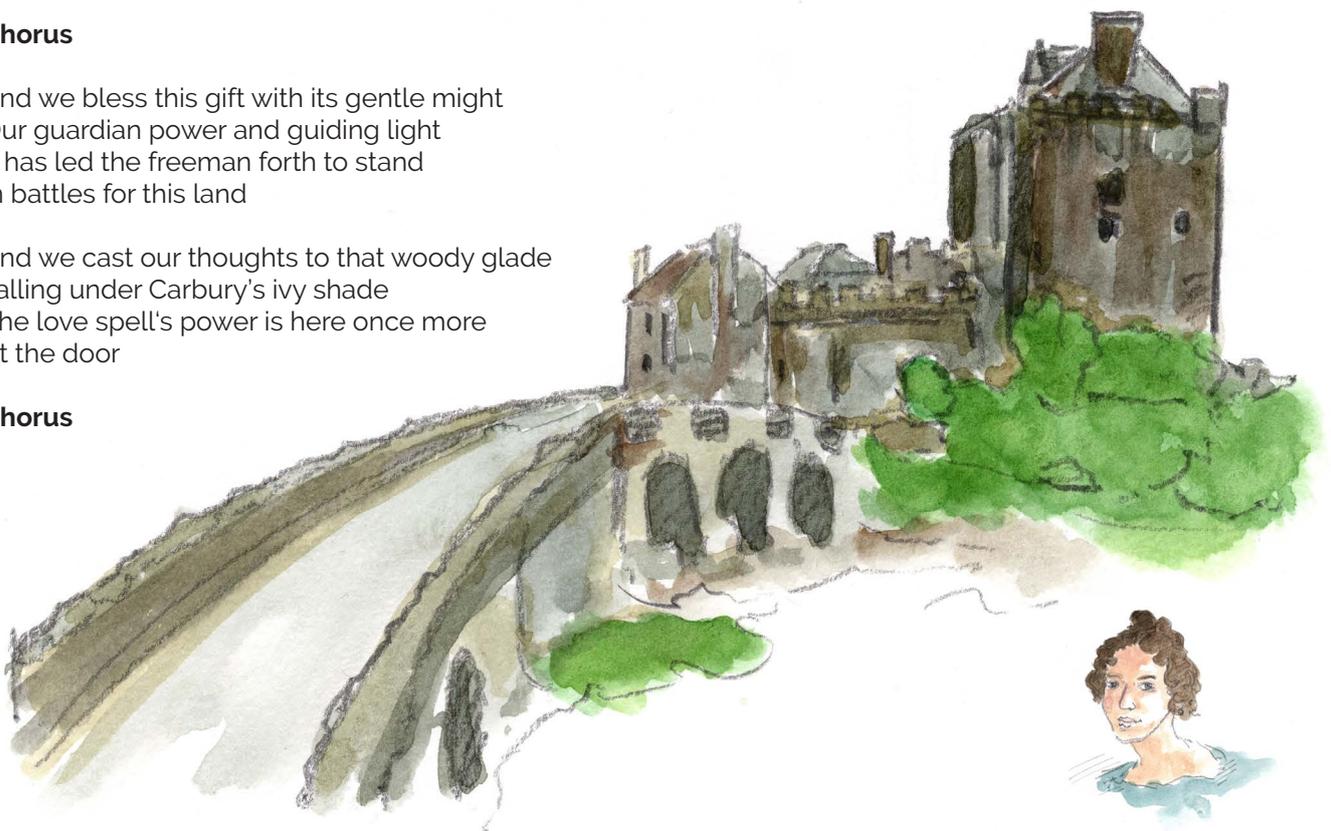

By the hour when our hearts unite
In the parting kiss and the kind good-night
By our smiling eyes and loving tone
The spell is thrown

Chorus

And we bless this gift with its gentle might
Our guardian power and guiding light
It has led the freeman forth to stand
In battles for this land

And we cast our thoughts to that woody glade
Falling under Carbury's ivy shade
The love spell's power is here once more
At the door

Chorus

19 STRONG CHARACTER INSTRUMENTAL
(by Harry C)

Harry C and Gilla Pogo with their mums
who both passed away in April 2020
Thank you for your strong characters!

A man wearing a black fedora hat and a white short-sleeved button-down shirt is sitting at a table outdoors. He is looking directly at the camera with a slight smile. On the table in front of him is a map of the world with several colorful pushpins (yellow, blue, green) marking various locations. To the right of the map is a small blue and white patterned cup of coffee on a matching saucer. The background shows the dappled sunlight filtering through the leaves of trees.
